

**For Immediate Release**

June 30, 2013 9:30 a.m.

**Contact:** Don Carpenter, Public Information Officer, (307) 237-5061  
Kreig Rasmussen, Public Information Officer, (435) 201-9988

**Antelope Fire Fact Sheet**

**Note:** Get the latest fire updates on Twitter [@UtahWildfire](https://twitter.com/UtahWildfire)

**Start Date:** June 28, 2013

**Location:** West of Cove Fort, Utah, Millard County

**Jurisdiction:** Bureau of Land Management, State of Utah

**Fire Size:** 5,200 Acres (Estimated) Change in fire size is due to more accurate GIS mapping.

**Cause:** Lightning

**Fire Behavior:** Active, short runs, isolated torching

**Closures:** No road or area closures

**Structures:** None at this time

**Percent Contained:** 30%

**Fuels:** Sage, Grass, Pinyon-Juniper

**Fire Crews/Resources:** 4 Crews, 6 engines, 2 graders, 2 water tenders, 16 overhead, 2 Type 3 Helicopters

**Evacuations:** No evacuations are currently in effect.

**Injuries:** No injuries have been reported.

**Summary:** Crews were challenged by extreme temperatures and low relative humidity. Crews were supported by helicopter water drops and retardant drops from Single Engine Air Tankers (SEAT) throughout the day. The fire was actively burning in rough steep terrain.

Fire crews would like to remind the public to be safe in their outdoor activities and to stay hydrated in these hot temperatures.
